## **HB 2325 - SB 2480**

January 30, 1998

**SUMMARY OF BILL:** Provides that public safety dispatcher qualifications do not apply to any such dispatcher hired before July 1, 1997. The bill also provides that any public safety dispatcher operating NCT or STA terminals shall only be required to meet the qualifications listed for public safety dispatcher, notwithstanding TBI regulations to the contrary.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease Local Govt. Expenditures - Not Significant**

Assumes that any training, physical or other requirements that had not yet been met and would have been funded by local governments for their public safety dispatchers in the absence of this bill will not be funded under the provisions of the bill. Assumes that such expenditures would not be sufficient to generate a significant decrease since the requirements took effect July 1, 1997.
